

REMARKS/ARGUMENTS

This response requests entry of Figure 12k into allowed U.S. Application No. 10/529,513. This figure was inadvertently omitted in our previous response dated April 1, 2008. Basis for this figure may be found in U.S. Provisional Application No. 60/445,526, filed February 6, 2003, from which this application claims priority benefit from under 35 U.S.C. §119(e). No new matter has been added.

CONCLUSION

Entry of this amendment is respectfully urged since it merely cures a formal defect in the specification and does not touch the merits of the allowed claims.

Respectfully submitted,

Edward D. Robinson
